There will be a Stop the bleed class held at the Multipurpose building in Bitely on May 2nd. from 5-7pm. This is open to anyone 17 yrs and older with pizza and refreshments being provided. The goal for this class is to teach attendees how to handle a serious bleeding event while first responders are responding to the call. Additionally,

LILLEY TOWNSHIP FIRE & FIRST RESPONDERS

we hope to use this event as a way to spark interest in joining our department. Please feel free to use my contact info below to reach out with any questions.

As we move into the springtime, please be vigilant when outside burning. Please go to Michigan.gov and look up burn permits to be able to determine if open burning is allowed.

Please spread the word that we are looking for motivated people to join our team. We also now have positions available for truck drivers. If you want to help your community but not sure you want to take the fire or MFR class, this might be just what you're looking for. If you have any questions please feel free to contact me at lilley1702@hotmail.com or 231-349-1858.

Again thank you for your continued support.
