We had a huge turnout for the annual haunted fire station, thank you to all that came and to all area businesses that donated to make it such a success. Already looking forward to next year.

We had our annual hose and ladder testing performed by Waterways of Michigan. Everything passed with the exception of 1 section of fire hose.

As we transition into the colder months, wood is what many use to heat their homes. Please be sure to work safe when using chainsaws as one minor slip or miscalculation can have devastating results.

**Please spread the word that we are looking for motivated people to join our team. We also now have positions available for truck drivers. If you want to help your community but not sure you want to take the fire or MFR class, this might be just what you're looking for. If you have any questions please feel free to contact me at [lilley1702@hotmail.com](mailto:lilley1702@hotmail.com) or 231-349-1858.**

Again thank you for your continued support.

LTFD Fire Chief:  
Scott DeBruyne.
